

REOPENING PLANS

We have some exciting news

We will be opening up our garden from Monday 12th April 2021 – Hooray!

Our garden will be open for bookings from 2 households or groups of up to 6 people from mixed households (including children) to enjoy some alfresco eating and drinking, ring 01962 771252 to reserve a table. We will also be keeping some outside tables aside should you just want to pop down and enjoy a drink or a bite to eat without a booking, but obviously these are limited.

Whilst we are obviously all keeping everything crossed for good weather, it is best to come prepared for every eventuality, so wrap up warm, bring a blanket and perhaps even an umbrella, just in case. We will have a small marquee (not heated) on the garden covering a limited amount of reserved tables. If the heavens do open, we're really sorry but we won't be able to allow you to shelter inside the pub.

We understand that not everybody may feel comfortable to rush out so we will continue providing a takeaway service once we reopen which will be available 7 days a week! If you would like to be included on our weekly takeaway menu listing please send your email details to info@hintonarms.co.uk asking to be included on the takeaway list.

Further updates will be announced at each stage of re-opening once we are allowed to accept customers back inside to eat and drink.

Thank you and we cannot wait to see you all!
